Dallas Bishop Counsel Plans Appeal

Former East Liverpool Officer Convicted on Burglary Charge

LISBON — Dallas Bishop, 40, of Salineville was convicted by a Common Pleas Court jury Friday afternoon of the Oct. 5, 1952 burglary of the Smith and Phillips Co. furniture store in East Liverpool.

The jury of six men and six women returned the verdict against the former East Liverpool special officer at 2:20 p.m., after deliberating three and one-half hours.

Atty. Hugo Alexander of Steubenville, defense attorney, said he would appeal the case on grounds of double jeopardy.

He said Bishop's trial last month which was halted by a mistrial after a defense attorney was seen putting his arm around a woman juror in a friendly gesture on the courthouse steps, had placed Bishop in jeopardy once.

Judge Defers Sentence

Judge Raymond Buzzard deferred sentence pending Bishop's appeal. The latter, who faces a sentence of one to 15 years if his appeal is denied, met his continued \$5,000 bond and was released.

During the five-day trial, Bishop repudiated for the second time a 12-page statement which he had

made following his arrest in 1956 at the outset of the East Liverpool police scandal in which five policemen and two special officers were implicated.

In the statement Bishop admitted his part in the Smith and Phillips burglary and recounted other burglaries and the purported participants.

On the witness stand he said the statement was fiction, prepared in hopes that he would "get a break."

Claims He Bought Radio

He testified that the radio he was accused of stealing from the furniture store was sold to him by Robert McBane, 37, another former patrolman who has pleaded guilty to eight burglary charges and is the state's chief witness.

The radio, one of the most important links in Prosecutor G. William Brokaw's chain of evidence, was recovered by Sheriff Russell J. VanFossan at the Midland, Pa., home of Mrs. Mary Trbovich.

Bishop was tried separately on an indictment which also charges former officers Ira Cunningham, 50, and Robert Carroll, 35, Bishop, arrested in March, 1956,

during the police investigations, pleaded innocent at arraignment to the 1954 burglary of the Berman Lumber Co. and to the Smith and Phillips Co. store.

Served as State's Witness

But he later, changed his plea and served as a state witness in the trial of Robert Hanna, ex-policeman who was acquitted, and in the trial of Cunningham and Jerry Raimond, onetime special officer, who were acquitted of the Berman thefts.

It was in the Berman trial that Bishop repudiated his 12-page statement, and he was subsequently sentenced to the penitentiary for one to 15 years on each of the two counts.

However, the Seventh District Court of Appeals ruled he could again change his plea to innocent and should stand trial. In March he was acquitted of the Berman entering in a verdict directed by Judge Buzzard on grounds the evidence failed to prove he entered the firm on the date charged.

This Smith and Phillips Co. entering trial began April 28 but was halted in the second day in the mistrial.

Economy Steady After 9-Month Downhill Slide

Bright Signs Multiply Indicating Recession Might Be At Bottom

NEW YORK (AP) — The nation's economy marked time this week after nine months of running downhill.

Signs continued to multiply that the slide that started last August might be touching bottom — and that recessionary forces were finally running out of steam.

Here and there you could see signs of improvement.

Contracts awarded in April for future construction showed a king-sized gain over 1957 after trailing year-ago figures for the previous three months. Road building was one of the brighter spots.

At the same time, the National Assn. of Home Builders forecast a 10 per cent increase in housing starts this year.

Spending at Fast Pace

Consumers kept spending at a fast pace that almost matched last year's record rate. Production of steel and automobiles, while still far below year-ago levels, moved up a bit.

Stock prices, on the other hand, broke sharply. On Wednesday the market was thrown for its biggest one-day loss of the year. It rallied later but was leaning toward the downside at the close.

The latest batch of official U.S. government figures showed that the business decline in late winter and early spring went deeper than many of the experts had thought it would.

Gross national product — the sum total of all goods and services produced — was at an annual rate of 422 billion dollars in the first quarter, down 4 per cent from the record high of July-August-September last year. Biggest decline was in mine and factory production — a trend which continued through April when the government's index of industrial output touched its lowest level since 1954.

Seek to Cut Inventories

Suppliers of steel, oil, minerals, appliances, furniture and cars were still engaged this week in a massive effort to reduce their inventories.

Briefly over the business scene: Consumer prices, as measured by the National Industrial Conference Board (NICB), hit another record high last month.

Department store sales in the week ended May 10 were down 4 per cent from a year ago. . . Randolph Phillips, erstwhile ally of the late Robert R. Young, claimed victory in his attempt to get elected to the Pennsylvania Railroad board over management opposition. . . Fowler B. McConnell was named to succeed Theodore V. Houser as chairman of Sears, Roebuck & Co.

National Cylinder Gas Co. changed its name to Chemetron Corp. . . American smokers puffed more cigarettes in March than in February, but not as many as in March a year ago. . . Joseph L. O'Brien, vice president of the Air Transport Assn., told Boston College students that lack of money is delaying the arrival of the jet age for U. S. airlines.

Only higher fares, he said, will solve the problem.

Blaze In Cleveland Kills 3-Year-Old Boy

CLEVELAND (AP) — A fire in a three-story brick building on E. 40th St. near Cedar Ave. today killed at least one child.

St. Vincent Charity Hospital reported 3-year-old Lester Davis was dead on arrival.

Two other persons were admitted to Polyclinic Hospital.

"Scientific Marvels in the Field of Communication" will be presented by Robert C. Clark of the Ohio Bell Telephone Co. Laboratories. Among the speaker's demonstrations will be the picture phone, an undersea repeater and an automatic message accountant.

Reservations may be made not later than Thursday at the Trade Extension Office.

Graduates and their places of employment are as follows: Norman L. Boals, King Die Co.; Gordon Calvin, Silver Manufacturing Co.

Jack Davies, Marvin Dowling, William Strom, Eugene Utterback, Steve Yendrich and Ronald Zaina, Alliance Machine Co.

Victor Lake, John C. England, Willard Headland and John Polen, Deming Co.; William Rogers, Salem Tool and Die Co.; Robert Stratton, United Tool and Die Co.

Evert Morse, Paul Molenkopf, and Robert McQuiston, National Rubber Co.; Robert Pash, Youngstown Sheet and Tube Co.

**Akron Blaze
Damage Set
At \$200,000**

AKRON, Ohio (AP)—Damage was estimated at \$200,000 in a blaze which today destroyed the club house at the Firestone Country Club. There were no injuries.

Firemen from Coventry Township and three adjoining communities battled the blaze for four hours before bringing it under control. The fire apparently started in a women's locker room, firemen said, but the cause was undetermined.

Officials of the Firestone Tire & Rubber Co., owners of the property, made the damage estimate. They said plans for the \$200,000 Rubber City Invitational Golf tournament scheduled for July 3-6 would not be affected.

The building, located on Warner Road south of the city limits, housed a dining room, club rooms and locker rooms.

**Police Investigate
Two Traffic Mishaps**

Police investigated two city traffic accidents Friday.

Frank Stone, 37, of 1466 Shady Lane reported an unidentified auto struck and damaged the left rear fender of his car at 11:35 a.m. at the intersection of Wilson St. and S. Ellsworth Ave. The other car did not stop after the mishap, he said.

Cars operated by William A. McGrath, 35, of RD 2, Steubenville, and Charles A. Mathey, 23, of RD 2, Warren, collided at 10:28 p.m. at the intersection of State St. and Ellsworth Ave., causing some damage to each auto.

Pflimlin Moves To Stop Forces Of De Gaulle

Troops Patrol Paris; 2 Air Force Generals Taken Into Custody

BULLETIN

PARIS (AP) — Gen. Charles De Gaulle's top legislative lieutenant slipped into the Gaullist stronghold of Algeria today as Premier Pierre Pflimlin struggled against rightists at home.

The arrival of Jacques Soustelle, who had been held incommunicado in Paris after trying to fly to Algeria earlier this week, was announced by radio Algiers. His arrival was expected to put new pressure on Pflimlin to reach a settlement with De Gaulle's supporters.

PARIS (AP) — Premier Pierre Pflimlin used his new emergency powers today to organize a tough police regime against a possible rightists attempt to put Gen. Charles De Gaulle in power.

De Gaulle, who broke a five-year silence Thursday to say he stood ready to assume "the powers of the republic," announced he would hold a news conference Monday.

The World War II resistance leader's original statement was so cryptic that Frenchmen weren't sure whether he wanted power handed to him legally or was willing to take over in a coup.

The second possibility—coming in as a man on horseback to establish something that might come close to a military dictatorship—was the most common interpretation although a close associate of De Gaulle said he would never accept power illegally.

The announcement today from De Gaulle's Paris office left the nation facing a weekend of suspense. The general remained at his rural home in eastern France until Monday.

Some 35,000 police and special security troops patrolled Paris

**Phoenix Fire
Claims Lives
Of 6 Children**

PHOENIX, Ariz. (AP) — Six children, trapped in a ramshackle wooden frame apartment, died Friday night in a fire in South Phoenix.

The children, ranging in age from 5 months to 6 years, were Negro.

Another child, Alfred John Stafford, 9, escaped.

The six children had been left in the Stafford boy's care by their mothers, Mrs. Betty Lou Warrick and Mrs. Freddie Mae Williams. Sheriff's Sgt. Buck Stockton identified the dead as:

Leonard Joe Cleveland, 6; Roy Warrick, 3; Rickie Joe Warrick, 2; Wanda Warrick, 5 months; Larry Williams, 3, and Aaron Williams, 1.

Stockton quoted the Stafford boy as saying he lighted a kerosene lantern before the children went to bed and awakened to find the lantern tipped over and the bedroom aflame.

He ran from the flames, the boy said, and then came back and tried to rescue the sleeping children. He said he was repulsed by the flames.

The Volunteer Fire Department limited the blaze to that one apartment, one of eight in the building. Firemen said the children's bodies were huddled in one corner of the bedroom.

The two mothers returned home to find the firemen at the scene. They fell into uncontrollable weeping and were unable to explain why they had been absent or to explain the children's relationship.

Killed by Caged Lion in Washington

Girl's Death At Zoo Brings Probe

WASHINGTON (AP) — Smithsonian Institution officials ordered a formal investigation today into the grisly death of a 2½-year-old Canadian girl who wandered too close to a lion cage at the Washington Zoo.

As her horrified grandfather fought vainly to save her Friday, little Julia Ann Vogt was hauled screaming into the cage by a lion and decapitated.

The grandfather, Harry Jackson, 67, suffered a mild heart attack and was unable to give a coherent account of the death of the young visitor from Chilliwack, British Columbia.

But police obtained a partial story of the tragedy from Wesley Dildy, 12, who was visiting the zoo with a school group from Prince Anne County, Va.

"The rest of the class was down the hill," the boy said.

"I heard a loud scream by the lion's cage. I ran up to look, and this little girl was in front of the cage and the lion had caught her by the leg and was pulling."

"A man grabbed her arms and tried to pull her away but the lion was stronger. The lion kept pulling and got her body in the cage with him."

"The man kept hitting the lion on the head trying to make him release her. The lion started walking around inside with her in his mouth."

Dr. Theodore Reed, zoo director, said officials could only assume that Julia Ann, clutching a bag of peanuts, somehow got away from her grandfather and squeezed through a 3½-foot guardrail which keeps spectators some six feet away from the lion cages.

As she walked past the cage of Queenie, a year-old lioness, she was grabbed. The grandfather apparently pursued her.

When the alarm got out, two keepers went into the cage to hold off the lioness and recover the girl's decapitated body.

Homicide detectives ordered the lion house closed.

This was the first such tragedy in the zoo's history.

Two Drivers Cited Following Accidents

Two drivers were cited by state highway patrolmen as the result of mishaps on district roads Friday.

A car operated by Russell White, 44, of East Palestine struck the rear of an auto driven by Mary Gatrell, 44, of East Palestine as the latter driver was slowing for traffic on Rt. 170, a mile northeast of East Palestine, at 6 p.m.

White was cited for failure to stop in the assured clear distance ahead.

An auto driven by Harvey McCauley, 20, of Wellsville went out of control, left the highway and overturned on Rt. 164, a half-mile south of Lisbon, at 9:30 p.m.

McCauley was arrested for reckless operation.

Part of Ohio State's Armory Hit by Blaze

COLUMBUS, Ohio (AP)—Firemen early today brought under control a fire which destroyed part of the armory at Ohio State University. No damage estimate was immediately available.

The fire, reported about 12:30 a.m., brought equipment from 17 fire companies to the campus, located 23 blocks north of downtown Columbus.

Firemen carried out boxes of live ammunition stored in the building. No injuries were reported.

TOOTLING TOT — John Rancier, 3, of the Bronx, gets into the act with his toy saxophone during the Women's Air Force Band concert marking Armed Forces Week in New York. Sgt. Elaine Lilley plays on, apparently unaware of the tootling toddler beside her.

Betty is a daughter of Mr. and Mrs. Edgar H. Rapp of E. Friend St., and James is a son of Mr. and Mrs. Ellwood Poulton of R.D. Columbiana.

FOR THE FIRST TIME since their graduation 50 years ago, members of the Columbiana High School class of 1908 will assemble for a reunion. The gathering will be in connection with the class of 1958 commencement, to be held May 28. A dinner will precede the commencement at Grace Church, which was the building where the class of 50 years ago had its graduation exercises.

Eight of the nine members of the class survive. They are: Leo E. Holloway, Mrs. Mabel Wining Mather and Mrs. Cora Fisher Henry, all of Columbiana; David E. Lehman and Robert Culp of Youngstown, Mrs. Olive Russell Patterson of Alliance, Miss Hattie Hyland of Cleveland and Mrs. Lucille Breckenridge Bandy of Whittier, Calif. Only deceased member of the class was Mrs. Carrie Harold Rohrer, who died in 1934.

A DINNER FOR high school band and chorus members will be held at 6:30 p.m. Wednesday, May 21, at Pavilion 4 in Firestone Park. It will be a covered affair. The music committee will serve coffee, cream and sugar.

GUEST NIGHT will be observed at the Sorosis Club 6:30 p.m. dinner Wednesday at the Methodist Church.

Speaker will be Mrs. J. B. Lane of Mineral Ridge, who has traveled in most parts of the world. The committee includes Mrs. Florence Campbell, Miss Nellie Koch and Mrs. Wilbur F. Ward.

Ike Reported Willing To Sign Defense Bill

WASHINGTON (AP)—President Eisenhower was pictured by Congressional sources today as willing to sign the House defense reorganization bill even if it passes without changes he advocates.

One of these sources, who asked not to be quoted by name, told a newsman: "Without any doubt he will not veto the bill if it is essentially what he asked for in arrangements for streamlined command of unified forces."

But the committee, hostile to changes that might infringe on the individual services or on Congress' own prerogatives, turned down several Eisenhower requests for administrative changes.

Republicans joined Democrats on the committee in unanimously approving the bill, which now goes to the House for action, perhaps within two weeks.

Phoebe Fraunces Group Dinner Program Set

Phoebe Fraunces Chapter Daughters of the American Revolution, will meet Monday at 6:30 p.m. at the home of Mrs. Robert Entriens of Damascus Road for a covered dinner. Mrs. Jack Herstrom and Mrs. Raymond Hoffman are co-hostesses.

Guest speakers will be Mrs. Elaine Hurd of Lisbon, regent of the Lewis Kinney Chapter, DAR; and Mrs. Mike Oana of Salem. Mrs. Hurd served as delegate to DAR Continental Congress in Washington, D.C. in April. Mrs. Oana will attend as official representative of the National Amvet Auxiliary.

Reports from committee chairmen will include: Ohio DAR News, Mrs. Irving Mcgrail; conservation, Mrs. Warren Brown; and national defense, Mrs. Kenneth Gormley of Columbiana.

They Do Not Love the U.S.

More than ever, with the rate of stone-throwing and face-spitting gaining violence in Venezuela, Vice President Nixon and Mrs. Nixon are beginning to seem too valuable to be used as hostages to international bad will.

The American people are lucky their young vice president and his wife have not been killed or hurt seriously by the outbreaks of disorder and violence in South America during their visit.

The outbreaks, themselves, are not unexpected. U.S. Marine leaders like the late Smedley D. Butler used to build careers on quelling mob violence in Latin American countries. The most hated symbol in the New World was "the colossus of the North." And for the most part, it deserved the hatred it inspired. There was nothing sympathetic or gentle about Yankee imperialism in its stem-winding days.

Things are better now. After the "good neighbor policy" was dramatized by Franklin D. Roosevelt, the idea became credible that things were better than they really were. There still is enough hatred of everything the United States stands for to make Latin America the world's likeliest place for the Communist conspiracy to set off an explosion.

Communists cannot be blamed for doing what they have been taught to do and are able to do with extraordinary skill. They

would have no reason to pass up a chance to inflame the hatred and jealousy of the United States that can poison the minds of even such long-time "good neighbors" as Canada.

The only place where blame can be assigned with any good effect is where the decision was made to expose the vice president of the United States and his wife to street violence in countries whose police cannot maintain order.

No man who could have been sent to South America would have been more likely to draw the full resentment of the Communists than their nemesis in the Alger Hiss revelation. Mr. Nixon has been a marked man ever since. The California Communists did everything in their power to destroy him in his home state. There must be a special division in the Kremlin by this time working continuously on ways and means "to get Nixon."

It is a relief to have Nixon home, before some hot-head killed him and triggered an incident that would fill millions of hearts with regret.

It is not worth any man's life or even his safety to learn that the United States is not loved by one and all in Latin America. Much as we may try to love our neighbors, most of them resent us for our success.

What Do You Think Causes It?

An increase of 55 per cent in the crime rate among Americans under 18 in five years is no fluke.

Federal Bureau of Investigation statistics showing that 47.2 per cent of the major crimes in 1957 were committed by persons under 18 cannot be shrugged off as statistical happenstance.

The increase in youthful crime is rising steadily year by year. It is associated with juvenile delinquency, obviously, but it is the whirlwind result of juvenile delinquency; it is not the same problem.

These are crimes of murder, manslaughter, rape, assault to kill, grand larceny, — armed robbery and burglary — the major affronts to security of life and property. These are the crimes that are the symptoms of serious civil decay.

The curious thing about the steadily increasing rate of juvenile commission is that everybody knows the reason, but nobody knows the cure.

The reason is a widespread breakdown of discipline among young men and women. A discernible pattern keeps reappearing among young criminals. They grow up bad because no one accepts responsibility for making them grow up good. They lack family security. They are the products of broken and disorganized families. Lacking ways to assert themselves constructively, they assert themselves destructively.

They are the wild children of a segment of society that is incapable of accepting responsibility for its offspring.

These things are known. But the remedies are obscure and vague. Even if they were universally known and agreed on, they would have to be applied before the birth of the next generation of young hoodlums. Nothing can be done now about the ones who have gone astray. The United States has yet to reap the big whirlwind, when the children now going bad for lack of parental care come to their bad ends.

Once Over

By H. I. Phillips

China is seeing TV for first time. There being no commercials so far, the people are taking it calmly—but probably blaming U.S. for "snow" or "flickering."

Introduction of TV in China can have powerful effect on its behavior. Up to now Mao and Chou En-lai have gripped Chinese attention. But wait until 600 million people hear about quiz show jackpots. Or until 300 million favoring an Oriental cowboy series have to fight 300 million Chinese demanding a Far East "dragnet." Rulers might be eclipsed easily by a program "The 650 million Yen Question" or a show offering a year's supply of bird's nest soup and 10 glorious days in a sampan.

MAYBE THE FREE WORLD should let Russia send arms to Red China if our side can give Chinese people TV wrestling. Friday night fights, a chance on Talent Scouts and some real good cowboy thrillers featuring Wu-Yat-Earp and Dock Ah-Lee-Day, Viceroy Rogers, Hop-Oo-Long Cassidy, Wild Sun-Yat Hickock and "Have Opium Kit; Will Travel." Not to forget "Life With POPPY."

FOR COMEDY how about a Chinese Phil Silvers in "Sergeant Ning-Ko," and Lucille and Desi in "I Love Woo-Szee"? If Chinese like whodunits there will always be a "Perry" should get behind TV in Red China. Let any nation follow sports events and parades by video while reclining on a sofa in the living room and the yen for aggressiveness and general trouble will fade fast. (Suggestions that the U.N. send Bob Hope in a kimono to China via TV will get nowhere. Bob wouldn't do it, as the old saying goes, "for all the TV in China.")

THE HOUSE COMMITTEE has cut from one million to \$650,000 the fund for liquor and other refreshments at U.S. Embassy

parties. With liquor so expensive this means most heavily watered martinis in Europe. It will bring cries of "American party-thrower go home" at all Embassy affairs.

It seemed strange to see associates justice of Supreme Court, William Douglas, on Mike Wallace quiz which became an airwave sensation with Mickey Cohen and other "farthest north from Supreme Court" characters. A high court justice being grilled by an airwave showman would have been unthinkable in the past. But who can be sure that, if they were around today, Oliver Wendell Holmes, Taft and Hughes might not be on regular Sunday night programs?

Auto makers favor law for clear price tagging and few charges for extras. They admit buying a new bus has been an adventure in arithmetic. Suppose when ordering a suit of clothes the tailor asked, "Will you require sleeves?" and said, "If you want buttons the charge will be extra."

Main reason for Boston toughness on Alan Freed, rock 'n' roll promoter, is his alleged crack, "I guess the Boston police don't want you kids to have a good time," when the police put an end to a dance in something close to complete darkness and ordered the lights on.

The greyhounds caught the electric rabbit at a dog track the other night. Which showed greater surprise, dogs or bunny?

Kids lose something through the fact that when Ringling Circus quits Madison Square Garden for the road it drops the side shows and stores all wild animals in a public zoo in Rhode Island. It gives its indoor and stadium performances without them. No cages of "wild and ferocious beast of the jungle," "no man-eating lions," "no blood-sweating behemoths!" to stir the small fry? No wonder the kids are hard to handle these days.

Man's Rule Being Menaced

By JAMES C. SPAULDING

Another creature appears likely to replace man in the dominant role on earth, a creature of approximately equal intelligence that lives longer, is more numerous and is steadily gaining power. The creature, of course, is woman.

Only recently man has realized how precarious his position is and has started trying to do something about it. It may be too late. This is how badly the vital cards are stacked against him:

The death rate of men, adjusted for age, is 50 per cent greater than for women. In recent years about 225,000 more men have died annually in the United States than women.

Women already outnumber men and if the present trend continues there will be 138 women for every 100 men by 1975. There are nearly eight million widows in the population now.

The accumulated wealth is shifting to women as husbands die before their wives.

Confronted with these facts, male scientists tend to cough, shuffle their feet and talk about woman's "inborn biological advantages" or her "greater chance for emotional adaptation to her role in Western culture."

Up to a point, the facts speak for themselves. Females, it appears, have lower mortality rates from the beginning and man gets little chance to catch up.

The female even has the advantage before birth. The male stillbirth rate is 12 per cent higher than the female. The death rate among newborn babies is 30 per cent higher among males.

IT IS TRUE that a few more males are born but this slight excess is soon neutralized by higher death rates from nearly all childhood diseases except whooping cough.

Males also are more likely to

inherit such congenital diseases as muscular dystrophy, some kinds of familial idiocy, hemophilia and color blindness.

In youth, if the male survives, he is up to five times as likely to get killed in an accident as a girl of the same age. Four times as many men as women commit suicide.

The greatest relative toll for men results from the degenerative disorders — heart disease and cancer. These two causes alone account for about 60 per cent of all deaths in the U.S. today. Except for cancers of the female organs, the degenerative diseases kill far more men.

Another exception is diabetes, which carries a 35 per cent higher death rate for women but accounts for only 2 per cent of the deaths.

The mortality rate for heart disease, which causes 40 per cent of all deaths, is particularly cruel to males. In 1900, men had a heart-disease death rate only 11 per cent higher than females. Today the excess is 80 per cent.

For the entire 35-to-64 age range, men have a death rate from heart disease more than twice as great as women.

CANCER CAUSED only about 4 per cent of the deaths in this country in 1900, but the proportion now is about 19 per cent. Women had a cancer death rate 65 per cent higher than men in 1900. Today the male cancer death rate is 20 per cent greater than that of women.

Another reason for woman's longevity advantage has been the elimination of many of the hazards of childbirth. In 1900 an estimated 20,000 U.S. women died in childbirth. Less than 1,900 died of that cause in 1956.

Those who contend that an in-born biological advantage accounts for woman's greater life span can point to other species as well as humans for evidence.

Among certain worms and insects, according to a Milwaukee doctor, the role of the male is to "fertilize the female and drop dead."

A Milwaukee psychiatrist who

believes that environment is more important than inherited factors said our Western culture gave women a better chance for emotional satisfaction and security than men.

The woman, he said, does not compete for necessities of life. She is not required to live according to a strict code of honor, honesty or decency. Her intelligence is not particularly admired.

THE PSYCHIATRIST said society made fewer demands on women in other ways. It takes a chivalric attitude about her shortcomings. She is likely to escape punishment when she pushes ahead of men in queues, cheats on examinations, pilfers in stores and cashes bad checks. She should know better but, after all, she is a woman.

She even gets into baseball parks free or at reduced prices on certain days.

This Milwaukee psychiatrist, who is married, said that lying is condoned in women. But a man's word is so highly regarded that his reproductive organs take their name from an ancient practice of pledging them as a guarantee of truth. The word "testis" is Latin means both witness and male reproductive organ.

Women report themselves ill 20 per cent more often than men and are hospitalized at a rate 54 per cent higher than men for chronic disabling conditions, according to surveys.

A doctor who has specialized in internal medicine for 25 years said that women may be sturdier than men but man's current lack of physical labor might contribute much to his shorter life. Women do more physical work, he said.

A physiologist said that potentially women had as much physical endurance as men. They stand cold better because of a thicker layer of fat under the skin.

Life expectancy today for men is about 67 years; for women, 74. Concentrated research on degenerative diseases may help restore the balance between the sexes.

Otherwise it might be wise to repeal the 19th Amendment, if it is not already too late to take away woman's right to vote.

Partisanship Rears Head In Nixon Affair

Patriotism may be dormant at times but partisanship never. Thus the wholehearted welcome given to Vice President Nixon and the

demons of confidence by President Eisenhower and by members of both parties in Congress at the airport on his arrival here was later marred by a brief debate in the House of Representatives when a few partisans applauded criticism of the State Department for letting Mr. Nixon go to Latin America in the first place.

The United States government, it was argued in effect, should have yielded to the threats of terror and canceled the visit.

Only a few months ago, on the other hand, there was a lot of talk in Congress about "freedom to travel," and the State Department was denounced because it didn't want American newsmen to take risks inside Red China, whose regime is not recognized by the United States. But now the argument has been switched around.

It appears that Freedom to travel should not be exercised by the high officials of the American government in friendly countries to which diplomatic recognition has been given.

What a cowardly thing it would be for the United States government to refuse to go ahead with a trip previously announced and to give as the reason that it couldn't expect—friendly governments—protection or security for a visiting delegation!

Not only would the governments of Latin America have been offended but they would have winced under the charge that they couldn't protect the distinguished visitors they themselves had invited.

AS FOR the Communist rulers in Moscow, this would have been grist for their mill. They would have been delighted to read that they had intimidated the United States government. This would have been a propaganda success of transcendent proportions.

Indeed, instead of standing up for the government of the United States, the word now is that some members of Congress want an investigation to be undertaken to find out what the administration views of the possibility of outbreaks in Latin America, as if there is blame to be imposed here.

Unfortunately, the Communists in Moscow don't tell the Central Intelligence Agency or the Department of State the details of the plans they intend to pursue in attempting to stir up disorders in

countries with which the United States is at peace.

It is important, however, to note that the Communists did openly attempt to bestir their followers in Latin America to make trouble for Mr. Nixon on the trip.

Here is what Daniel Schorr of the Columbia Broadcasting System, formerly Moscow correspondent but now in Washington, said over the radio at midnight on the eve of Mr. Nixon's return:

"Any Communist sympathizer in cow radio for the past two weeks, would know that it was important to the Kremlin that Nixon's tour be turned into an anti-United States demonstration."

"On April 27—the day Nixon left Washington—Moscow beamed a broadcast in Spanish to South America, predicting that Nixon would hear grave complaints on his tour, complaints about U.S. attempts to shift its recession to the backs of Latin Americans, complaints about what Moscow called insolent American interference in Latin American affairs. The purpose of Nixon's trip, said Moscow, was to exert pressure, and Latin Americans wanted no such visitors."

"FROM THE START of the tour, Moscow radio devoted considerable air time to Nixon, constantly stressing that he was being poorly received. On April 30—in Portuguese, for Brazil—Moscow said Nixon had been coolly received in Uruguay and reported a movement against him rising in Peru, Chile, Colombia and Venezuela."

"In Russian and English broadcasts for Europe, Moscow radio reported Nixon meeting difficulties—this before the first demonstration against him. . . . On May 19 Moscow radio reported with great satisfaction that in Montevideo, Buenos Aires, La Paz and Asuncion, Nixon had the experience—and I quote—of experiencing personally the violent exhibition of hatred of the people for Washington's policies."

"Then, in Spanish, Moscow gloated about the student demonstration against Nixon in Lima, said the visit to Peru had turned into a veritable scandal. No one listening to the voice of Moscow could have failed to know what the Kremlin was hoping to see."

Then, on May 13 and 14, the climax came in Venezuela. The Moscow government has several thousand Communist-party members in each of the Latin American countries and the broadcasts from Moscow contain the instructions to them to stir up animosities and even violence.

The appeasers in Congress will find that the Soviets will interpret any retreat by the United States in the Nixon affair as a great victory for international Communism. The New York Herald Tribune

Grusome Reminder

By JAMES MARLOW

We need some shock absorbers to help us withstand sudden surprises.

Twice in less than a year this country has been dealt bewildering shocks for which it was unprepared.

If they could happen—in the way they happened — perhaps we're in for more shocks undreamed of yet.

Both shook American self-confidence—good, in a way, since there's so much complacency in the self-confidence—but both damaged confidence in America abroad.

Within eight months these were the shocks:

1. The sudden realization—when the Russians lofted their first Sputnik last October—that they were ahead of us in rocket development.

2. Now the sudden realization—after the treatment given Vice President Nixon in Latin America—that there is some intense, violent anti-Americanism there.

The Sputnik surprise stunned the country into critical, painful self-examination. The Nixon episode will do the same.

There was a Senate investigation of our missile program to find out what we needed to catch up

Great Industrial Expansion Taking Place in Region

Economic, Strategic Importance Of Ohio Valley Growing Steadily

By COL. R. E. SMYER, JR.
Division Engineer, U.S. Army
(Last of Series)

CINCINNATI — More and more economic and strategic importance is being attached to the defense-vital Ohio Valley as a source of much that America needs to remain strong in peace and war.

There are few items—from atoms and machine tools to automobiles, tanks to toasters, from electronic brains, boots and shoes to missile nose cones and jet engines—that are not produced within the 204,000 square mile area of the Ohio River watershed.

One of the most interesting and significant features of the Ohio Valley's industrial growth in the

recent past has been the shift of a still-growing part of America's aluminum production from the northwest hydroelectric country to the banks of the Ohio where power is produced, instead, by the use of barge-borne coal.

Hundreds of millions of dollars have been involved in the move-to-the-Ohio of such giants as Kaiser, Aluminum Company of America, Reynolds and Olin Mathieson.

Aluminum production is a power-hungry process, one requiring vast amounts of water, too. The economic factors which persuaded aluminum to come to the Ohio Valley are interesting and to an extent, mirror those which have influenced other industries to lo-

cate along the Ohio and its navigable branches.

One is the nearness to markets. In the case of aluminum, marketing experts report that approximately 70 per cent of the nation's total market for aluminum products is within 500 miles of Ravenswood, W. Va., site of one Kaiser plant.

The second factor is economical electric power. And, the third, cheap water transportation.

Alumina, the refined product of bauxite, is an increasingly important commodity on the Ohio these days, representing one of the first major foreign imports to appear in quantity. The raw material comes from Jamaica, British Guiana, Turkey and other overseas

sources. After processing it is loaded onto river-barges at New Orleans, Mobile and Baton Rouge, and pushed northward into the Ohio by towboat.

It goes almost without saying that coal, spread lavishly throughout the Ohio Valley, has been a major attraction to industry, particularly the electric utilities. The experience of one such plant is typical: The plant found it to be much more economical to generate power by the riverside and to construct transmission "high-lines" hundreds of miles north into Michigan than to locate in that same northern area. Until recently, not a single kilowatt of power was dispensed south of the Indiana-Michigan state line.

Basic aluminum ores are not the only imports from the Caribbean and Latin and South America which suggest the Ohio and Mississippi rivers as important "waterways" of sorts to be enlisted by this country in the ideological old war in which it has been and is engaged.

Great quantities of asphalt crude

petroleum come direct over an all-water route from Venezuela to Cincinnati for processing into the stuff which becomes driveways, highways and airplane runways.

But even as the Ohio and Mississippi rivers bear these foreign cargoes upstream for our beneficial use, so, downstream, can they become the means of assisting this country in the opening of vast, virtually unexplored markets.

In the past, direct interest in Latin American commerce has been a matter principally for areas immediately adjoining the Atlantic seaboard or Gulf of Mexico. While the St. Lawrence Seaway project has sparked intensive interest in overseas trade through out the Great Lakes area, much of the Midwest still confines its interests primarily to domestic trade. Perhaps a reorientation of our horizons is in order.

Actually, both Cincinnati, 511 miles above the mouth of the Ohio and St. Louis, 180 miles above the point where the Mississippi meets the Ohio, are well within 3,000 barge-and-ship miles from Maracaibo, Venezuela, or just about half the distance from Chicago to Maracaibo via the St. Lawrence Seaway and the Atlantic. Thus literally at the door-step of the Ohio Valley is an area of 10 million square miles with, at once, a super-abundance of raw materials suitable for our needs and a market of some 190 million people in goods of our manufacture.

Any considerable effort to increase that great Midwest's commercial contacts with Latin America, then, will contribute proportionately to our country's efforts to solidify its economic position in an area which already has witnessed inroads of aggression.

In this series I have endeavored to picture the 10-year industrial development of a great segment of our mid-continent and certain reasons therefor. Curiously, despite this great growth, there are still uncounted miles of land along the main stem of the Ohio River and its tributaries awaiting industrial occupancy. We already have witnessed the movement of industries, large and small, from the city to the suburbs, a decentralization which, if it continues, according to the eminent architect, Frank Lloyd Wright, foretells the doom of great industrial centers as we have known them.

The Ohio Valley, already recognized as "Atom Valley" or "Voltage Valley," might also be named "Rip Van Winkle's Valley." Certainly, the industrial revolution that has taken place within its boundaries in 10 short years is much more profound than that which, legend tells us, took 20 years of Rip's life up in the Catskills.

It would seem then, that what we have accomplished industrially in the past few years is but a sampling of the great future that lies ahead.

Guarding Your Health

Ruptured Disc Often Requires Surgery

A ruptured disc is one of the causes for backache.

First, what is a disc? The intervertebral disc is a moderately soft cartilage which lies between the bony vertebrae of the spine. It is these cartilages which make it possible to bend the back—in other words, which gives the back flexibility.

However, since cartilage is softer than bone it is more likely to be injured, strained or otherwise damaged than the bony part of the spine.

If there is pain in the lower portion of the back, or down the course of the sciatic nerve along the back of the leg, a rupture or hernia of this cartilage comes under suspicion.

Diagnosis is not easy, but can usually be made by a careful study of the history of the pain—that

Individual Meetings Are Held By Methodist Church WSCS

Five groups of the Woman's Society of Christian Service of the First Methodist Church held separate meetings this week.

They are as follows:

Twila Hahn
Two former missionaries, Miss Della Steepce and Miss Nellie Lewis, were guest speakers at a meeting of Twila Hahn Group Tuesday morning in the home of Mrs. Blaine McClaskey of Franklin St. Mrs. Ernest Schroeder also was a guest.

The two missionaries, presented by Mrs. Ralph Tolerton, program

chairman, led a discussion on India with members of the group participating.

Mrs. Robert Coy was devotional leader. She read from the book of Matthew and, from a booklet on power, an article titled, "So Send I You."

The business session was conducted by Mrs. Harry Loria, who announced that the June 10 meeting will be in the church with the Rev. William Snowball as guest speaker.

Breakfast was served to the 17 members and the guests from a table decorated with lilacs and tulips. Mrs. C. K. McClaskey was co-hostess.

Thelma Montgomery

The Rev. William Snowball spoke on "Things that Death Cannot Touch" at the Tuesday meeting of the Thelma Montgomery Group.

Thirteen members attended the meeting in the music room. "I am come that they may have light" was the devotional subject of Mrs. Frank Stoerkel. The altar was arranged by Miss Della Steepce.

Miss Ella Stamp conducted the business meeting.

Refreshments were served by Mrs. T. R. Corrigan and Miss Inez Heiser. The lace-covered tea table was centered with an arrangement of tulips.

Wesleyan Service Guild

Miss Phyllis Welsh was elected president of the Wesleyan Service Guild Monday evening at the church. Nineteen members were in attendance.

Program and devotions were led by Mrs. Walter Handlick. Her topic was "March of Mission Dollars."

Other officers elected for the ensuing year are: Vice president, Mrs. Donald Stapleton; secretary, Mrs. Charles Trotter; treasurer, Miss Jean Olmhausen; promotion secretary, Mrs. Charles Saftred; spiritual life, Miss Martha Jane Frary.

Miscellaneous education and service, Mrs. Fred Limestahl; secretary of supply work, Mrs. Willis Tarleton; status of women, Mrs. William Winters; Christian social relations, Mrs. Willard Crowl; Mrs. Burton Sutter and Mrs. Arthur Fleischer.

Mrs. Limestahl, Mrs. Tarleton and Miss Eleanor Bates were hostesses.

Jane Crooks

Seventeen members of the Jane Crooks Group enjoyed a birthday dinner Thursday at the church, with Mrs. C. P. Ward, and Mrs. C. W. Kaminsky as hostesses.

Spring flowers graced the table, with miniature birthday cakes marking each place.

"The March of Mission Dollars" was the devotional theme of Mrs. Fred Smith.

A gift was presented to Mrs. Ross Helman, retiring president.

Mrs. William Milhoan and her daughter, Mrs. W. D. Siddle, presented several piano and violin selections.

Election of officers will be held at the June 11 dessert at the church at 1:30 p.m.

Martha Graf

Officers were elected at the Martha Graf dinner meeting Wednesday at the church.

Twenty members were in attendance. Seven birthdays were celebrated. Mrs. J. J. Stanyard's devotions were from St. Matthew. Her theme was "March of the Missionary Dollar."

The new officers are: President, Mrs. Ernest Heston; vice president, Miss Nellie Bonnell; treasurer, Mrs. William Lippert; secretary, Mrs. Edward Alexander; sunshine, Mrs. James Goodwin; tax stamps, Mrs. Zoe Ingram.

Mrs. Olive Tetlow, program chairman, presented the reading, "The Night the Lights Went Out."

Mrs. Goodwin gave the following readings: "Breakfast in the Morning," "He Talked Too Much," "My Newspaper Boy Isn't Perfect," and "Charity."

The next meeting will be June 11 at the church.

Carole Long, Youngstown Man Are Wed

Miss Carole Mae Long of Rogers and David Franklin Armentrout of Youngstown were united in marriage at a home wedding Sunday afternoon.

The Rev. Richard L. Barth, pastor of the New Waterford Assembly of God, performed the ceremony at the home of the bride's parents, Mr. and Mrs. George Long.

The bridegroom is the son of Mr. and Mrs. Virgil Armentrout of Diana, W. Va.

Miss Nancy Jane Long served as her sister's maid of honor. Berlin Armentrout of Youngstown was best man for his cousin.

A reception followed the ceremony. Forty guests were present from Youngstown, Warren, Salem, Petersburg, Lisbon, Rogers and Waynesburg, Pa.

The bride was a junior at Beaver Local High School. Her husband attended Webster Springs High School in West Virginia.

The couple will reside in Youngstown, where Mr. Armentrout is employed as a steel worker.

Speakers Are Heard By Beta Psi Chapter

Beta Psi Chapter of Beta Sigma Phi Sorority held a dinner meeting Thursday evening at the Ruth Smucker House. The social committee, headed by Mrs. Pat Sutherin, included Miss Mildred Hollett, Mrs. John Cabas, Mrs. Floyd Stanley, Mrs. J. Anthony Engel and Mrs. James Mizer.

Dinner was served from a table centered with an arrangement of lilac and tulips in black bowls.

Mrs. Kenneth Lodge entertained with a humorous monolog.

Mrs. Bruce Snyder spoke on "Home Planning," featuring the kitchen as "the happiest room" in the home. She distributed leaflets on floor planning, appliances and color schemes.

Mrs. Lloyd McLivaine introduced John Kress Jr. of Cleveland, who spoke on the topic, "The Influence of Engineering and Painting on Modern Architecture." He showed slides of early engineering styles and famous paintings given in relation to color, form and style that later developed into the modern architecture.

Mrs. Bruce Frederick introduced Mrs. Bettie Lewis, local dance instructor, who talked on "The Dance." Mrs. Lewis based her talk on ballet, the basis of all dances. She said ballet is especially good for the development of young children if properly instructed. Dancing leads to suppleness, good health and happiness, Mrs. Lewis concluded.

There will be no summer chapter meetings. The next meeting will be Sept. 11 in the Smucker House.

Personals

Mr. and Mrs. George M. Bunn of 1538 Cleveland St. were recent visitors in Atlantic City, N.J.

Mrs. Fred Schramm presented the program at the Lydia Group meeting in the Georgetown Road home of Mrs. John Goddard. The devotions were led by Mrs. Goddard. Lunch was served to the 11 members present by Mrs. Sam Lockhart and Mrs. John Patterson, associate hostesses. Mrs. Joseph Emelo is leader of the group. The date for the picnic, planned for the next meeting, will be announced.

The Rachel Group, with 16 members and one guest present, enjoyed a luncheon at the home of Mrs. Rudolph Pitcair of 354 W. 10th St. Mrs. Ed Fultz, Mrs. Mike Solomon and Mrs. Harry VanSycow were associate hostesses.

Mrs. Gerald Koch Sr. is leader of the group. Mrs. Lew Sheen, program chairman, was assisted by Mrs. Ethel Jones and Mrs. Alice Beck. Mrs. Charles Butz presented the devotions.

A picnic is being planned for the June 11 meeting, the place to be announced.

God Can Be Found Outside Churches

"Some of the best prayer meetings I've ever attended were right down here in the yards between a couple of box cars."

This remark was made by an official of Seaboard Air Line Railroad as we talked on the station platform at Wildwood, Florida.

Dr. Peale

Dr. Peale, engineer on the crack "Silver Meteor" and I were discussing the growing emphasis of religion in business organizations.

Mr. Osteen told us that at their Rules Meetings (discussion groups for studying railroad regulations) a prayer is always said for good railroading. Mr. Lynn spoke up, "Don't get the idea you rules fellows do all the praying. We in the mechanical department seek God's guidance, too."

Russell Phillips told about a Hollywood photographer aboard the "Silver Meteor" to take pictures from the cab, who stood in surprise while the engineer, fireman and conductor reverently and sincerely asked God to ride the rails with them on their trip north from Miami that day. "This is something I never expected to see!" gasped the astonished man from Hollywood. "This is really it — prayer on the job, natural and unashamed."

MY FRIEND MR. LEONARD,

Grasshoppers Have Taken Over Phoenix

PHOENIX, Ariz. (U)—Grasshoppers have taken over Phoenix.

Millions of them are swarming over this normally spic and span city of 130,000 causing a mess undreamed of.

Windows and automobile windshield covers are covered with the pests. At night they obscure headlights and street lamps.

Entomologists blame unusually favorable breeding weather for the insect plague.

Murphy Co. To Honor Local 15-Year Employee

E. M. Lautner Jr., local Murphy Store manager, announces that Twila Myers, having served the local store for 15 years, will be initiated into the G. C. Murphy Company Veterans Club at the club's 18th anniversary celebration Monday at the Penn-Sheraton Hotel in Pittsburgh.

Ellen Mitchell and Mary Bova, having more than 15 years service, are both eligible to attend the celebration.

Initiation ceremonies for the 191 new members into the club, will take place following a luncheon, when special prizes will be awarded, an afternoon of entertainment and an evening banquet.

Each new member will receive a pin, a certificate of award and will advance into the four-week paid vacation plan, Lautner said.

N. Waterford Church Service Is Scheduled

Miss Jane Crooks of Hammondsville will be guest speaker at the 11 a.m. worship service Sunday in the New Waterford Methodist Church.

Miss Crooks serves as missionary in the African Congo, under the supervision of the National Woman's Society of Christian Service.

The choir will sing the anthem, "Beautiful Words of Jesus." Robert Wolfe is director, and Mrs. Gerald Dishong, pianist.

Sunday School is at 9:45 a.m.

FINED \$10 IN LISBON

LISBON — Dale H. Holshue, 42, of Lisbon RD 1, Lisbon, was fined \$10 and costs Thursday night by County Judge Samuel Crawford for driving an unsafe vehicle. He was cited Wednesday night on Rt. 30 by the state highway patrol.

FINED FOR DRUNK DRIVING

LISBON — Hope B. Hand of Youngstown was fined \$225 and costs and sentenced to three days in jail at a hearing Thursday night before Mayor John Todd on a charge of driving while intoxicated and driving on temporary license without a licensed driver accompanying him.

a Seaboard conductor, told me that his son, advertising manager of the Florida Theatre Chain, inserts in all Saturday movie ads across the state a line reading: "Don't forget to worship in the church of your choice on Sunday."

The old distinction between sacred and secular seems to be gradually giving way to modern recognition that the spiritual has its place in all activity. Sunday religion and weekday paganism, while it didn't exactly go out with the horse and buggy, appears to be on its way out nevertheless.

I have just had correspondence with the president of a West Coast firm employing 1200 people, asking how he can integrate a truly religious spirit in his organization.

Some companies like Reynolds Tobacco have constructed chapels in their plants where workers may drop in for a quiet word of prayer. Reynolds added a chaplain to their staff whose job is "to go about doing good." John Whitaker, president when Chaplain Peace was installed, told him to "work on the sinners in the front office as well as in the plant." Many in both categories come to the chaplain for counseling.

In every room of the Hilton Hotel chain, a copy of "Guideposts," an interfaith spiritual publication awaits the guest.

IN AN ILLINOIS CENTRAL Railroad dining car I was interested to find on my table an attractive card on which appeared blessings upon the meal from a priest, a rabbi and a minister. I wrote a note of appreciation to Wayne Johnson, president of the road, commenting upon the unostentatious opportunity this gave each person to render thanks for God's Providence.

But religion in business is not limited to big firms. The Memphis (Tenn.) Press-Scimitar carried a story about garbage collectors of the Memphis Public Works Department, Kennedy Division, who huddle around a big potbelly stove each morning at 7 o'clock to sing hymns and have a prayer. The group call themselves the "Pious Poor Club," whose purpose is "to make sure we get started on the right foot every day." At 7:30 the garbage trucks roll out for the day's work with the men humming old hymns.

And department store people meet for inspirational purposes. I spoke from a halted escalator to employees of Harvey's Store in Nashville; and from the great organ loft of John Wanamaker's to an estimated 5,000 sales people, and customers during business hours.

Addressing employees of the H. & S. Pogue Company of Cincinnati, my talk was delivered from a platform draped about with very feminine articles of merchandise. But in each instance the true spirit of reverence was present.

MATCHING The business men who have brought religion into office and plant are equally dedicated men in the labor movement who find guidance in prayer and worship. My friend John Ramsey of the C.I.O. tells inspiringly of the serious seeking for God's will among many of the responsible men who lead the union members of America.

Newspapers and magazines afford generous space to matters of religious interest. Everywhere there is increasing evidence that the religious revival which has manifested itself in crowded churches and renewed interest is a phenomenon of depth. The religious upsurge has real substance. The more sensitive social awareness of our time most surely takes its rise from a deepened spiritual concern.

All in all, there is something very creative going on in this country that is sound and vital. We hear of many unhappy occurrences that rightly cause concern. But it is encouraging now and then to add up the positive goodness that exists.

One of the most hopeful facts of our time is that God is not only to be found in churches but in shops and stores as well. He walks the streets of our cities. He is identified as never before with the daily lives of men.

READY TO LEAD FRANCE—Gen. Charles De Gaulle, France's World War II hero who has offered to take over full power in his country's current crisis, displays his forceful oratorical style during public appearance. De Gaulle, recently mute on political affairs, did not specify what he meant in his offer to take over "the powers of the republic." Some French deputies charged that rebellious French generals in Algiers were working for De Gaulle.

Greenford PTA to Meet Monday Night

The pot luck supper which was to have been held Monday night at the Greenford Parent-Teachers Association meeting has been cancelled. The regular PTA meeting will be held at 8 p.m.

Green Township trustees and park committee met last evening at the park. Plans are being made to enclose the present pavilion and to construct a ball diamond.

The Merry Stitches Club met Wednesday afternoon at the home of Mrs. Olive Mackey. The business meeting was led by Doris Calvin. Plans were made for a picnic which is to be held at the next meeting at the home of Mrs. Clarence Olin.

Four new members were taken in at the last meeting of the Green Twp. Volunteer Fire Department. They are Wilbur Schaefer, Ross Brunner, Don Kuhns, and Harold McDorman.

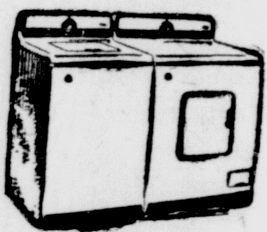

Defendant Favored In \$15,000 Lawsuit

LISBON — A Common Pleas court jury returned a verdict late Thursday afternoon in favor of the defendant in the \$15,000 personal injury suit filed by Francis E. Birch of East Liverpool against Sarah Edmonston, executrix of the estate of Michael R. Forzano, who managed the travelers Hotel.

Mrs. Birch claimed she suffered permanent injuries March 8, 1956, when she fell in the hotel dining room. She claimed negligence on the part of the hotel management in failing to notify patrons of the dining room that the floor had been waxed.

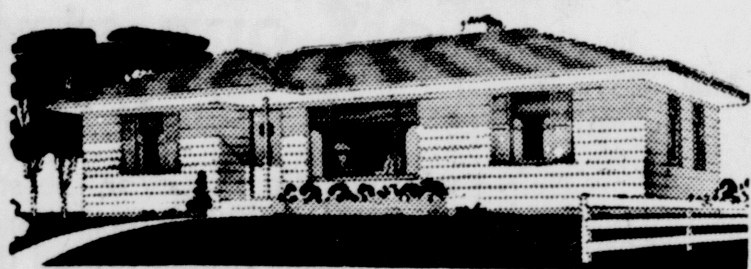

Common Pleas Judge Joel H. Sharp presided over the two-day trial which started Wednesday morning.

PULL HARD!

All's fair in a tug of war! At least, that's what the children think. And, as I watch them playing, I realize how relatively simple life is when you're a child. Then, a tug of war is something purely physical. Later, it is more apt to be mental—a matter of personal decision.

Some of the most important moments of our life present us with mental tugs of war. Then, we need a lot more than a rope to hang onto. We need courage and faith, a high sense of moral values, and the ability to distinguish between right and wrong.

These are the kind of things the Church teaches. That is why my children attend church regularly. One day, I know, they will be facing another kind of a tug of war. Their church training will help them make the proper choice.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Quaker Cindermen Place Fourth In Class AA Meet Here

Warren Wins Event; Alliance Is Runner-up

By GORDON ARNDT

A first place by Bill Holzwarth in the 180-yard low hurdles and a tie for first place in the pole vault by Jim Horn paced the Salem High School track team to a fourth place finish in the Northeastern Ohio Class AA District Track and Field Meet staged before some 1,000 fans Friday night at Reilly Stadium.

Warren Harding's balanced squad, led by Miller and George Johnson Jr., topped the event over a 23-team field by scoring 63 26-42 points to end far ahead of second place Alliance which garnered 28 tallies. Warren scored in every event but the 440-yard run.

Boardman was third with 26 35-42 points while the Quakers were fourth with 17 14-42 markers.

THE REST OF field ended as follows: East Palestine, 16 17-42; Poland, 15; Youngstown Rayen, 10; Austintown Fitch, 9; Leavittsburg, 8 6-42; Youngstown Chaney, 7; Youngstown Ursuline, 5 33-42; Youngstown North, 4; Brookfield, 3 21-42; Niles, 3; Ravenna, 3; Kent Roosevelt, 2 and Girard 6-42.

The top three men in each event automatically qualified for the state meet to be held in Columbus next Friday and Saturday.

Johnson of Warren was voted the meet's most outstanding athlete based on his record breaking

performance in the discus. He heaved the disc 158' 7" to break the old record of 152' 5" set by Gene Stefani of Warren in 1955.

Johnson also finished second in the shot put with a heave of 50' 4" to come within just two inches of first place winner, Bretz of Youngstown Rayen.

MILLER OF WARREN and Larry Knight of East Palestine tied for high point honors with 13½ tallies each. Miller won the 100, 220 and was anchor man on Warren's winning 880-relay team.

Knight won the high jump, broad jump and finished in a fourth place tie in the pole vault.

Paul Caffey of Youngstown Chaney, who won the half mile in 2:01.9, was presented the Nick Tsakinas Half - Mile Memorial Award by Frank Hallacre of Youngstown.

Tsakinas, who ran for Campbell Memorial, holds the second best time in the district half mile set in 1949. He was killed in action in Korea in 1950. The award was made in his memory.

Fred Cope, Salem high athletic director, was recognized for his work in the track sport during his past 25 years in Salem. He'll be honored June 7 at the Masonic Temple at the 76th annual Salem High School Alumni testimonial dinner-dance.

LOWELL "RIP" Allen of Boardman, who holds the district pole vault mark of 13 feet, 1¼ inches, set in 1928 while at Salem High School, was cited for his work also. At one time Allen held the national interscholastic vault record at 13 feet, 3 3/16 inches.

Salem's additional points, aside from Holzwarth's and Horn's, came from a fourth place in the mile by Jim Solomen, a fourth place in the half-mile by Danny Krichbaum and a third place finish in the 880-relay.

Jon Roberts of Salem won his heat in the half mile in 2:11, but his time was not good enough to place him among the top five winners, all of whom were running against time.

THE RESULTS ARE as follows:

Pole vault: tie for first, Horn (Sa), Sims, (Wa) Faul, (Bo); tie for fourth, Garwood, (Bo) Knight (EP); 11' 8"

Shot put: Brez, (Ray); Johnson, (Wa); Murray, (L); Angie (A); Bell, (EP); 50' 6"

High jump: Knight, (EP); tie for second, Ullmer, (Br), Travers, (A); Getch, Fitch; seven tied for fifth, Lane, (EP), Ezzo (G), Brown (Wa), Sims, (Wa), White (U) Tyndall (U) Sanders (L); 5' 10¼"

Discuss: Johnson, (Wa); Murray (L); Bower, (Ra); Sfara, (Ray); Barnes, (Po); 157' 7" breaks old record of 152' 5" set by Gene Stefani of Warren in 1955.

Broad jump: Knight, (EP); Warfield, (Wa); Mitrega, (N); Wright, (Bo); Wilson, (A); 21' 2½"

120-high hurdles: Travers, (A); Cockman, (Po); Mrofcak, (Wa); Hirt, (EP); Eustey, (Ray); 15.2

100-yard dash: Miller, (Wa) Cooper, (Bo); Wright, (Bo); Brogdon, (Wa); Wilson, (A) 10.1

1 mile run: Taipale, (Wa); Tracy, (Wa); Gilgor, (A); Solomen, (Sa); Walko, (C) 4:39.4

880-yard relay: Brogdon, Warfield, Howard, Miller, (Wa); Alliance, Salem, North, Boardman 1:31.8

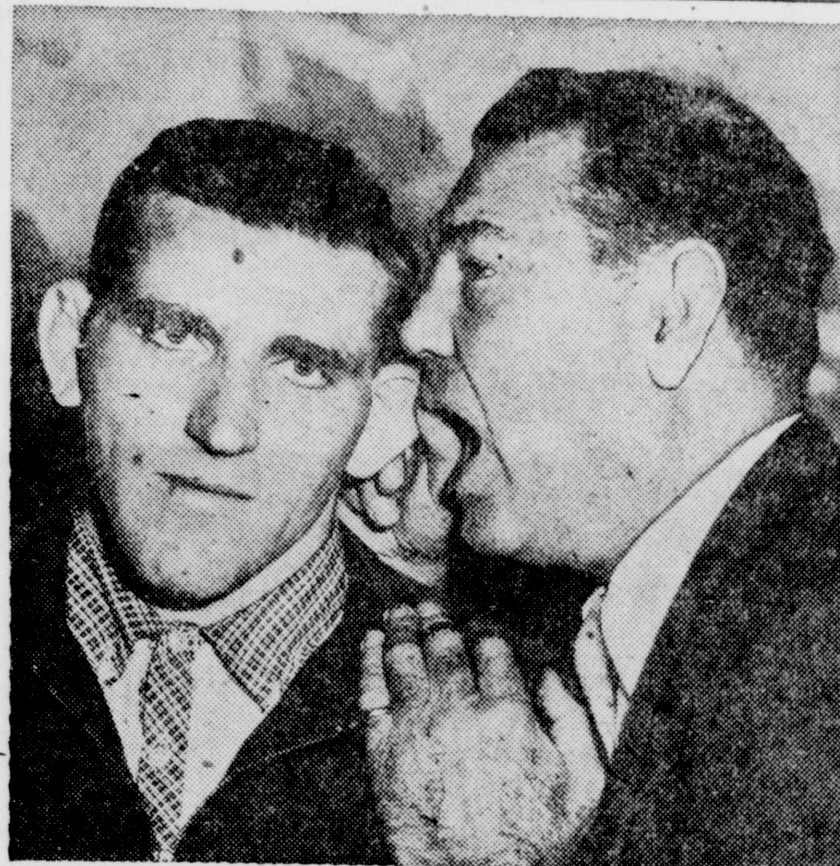

440 - yard dash: Beichler, (F); Wright, (Bo); tie for third, O'Connor, (Ur), Brown (A); Johnson, (A); 53.6

220 - yard dash: Miller, (Wa); Cooper, (Bo); Brogdon, (Wa); Drumgole (N); only four men ran; 29.9

1 mile relay: Slaven, Littler, Cockman, Lyons, (Po); Alliance, Ursuline, Warren, Fitch; 3:34.2

HAS HIS EAR — Jack Dempsey tells Dan Hodge how to work his way to a championship match. But the National Golden Gloves champion just turned pro will not start with Patterson.

Fondy Vastly Improved Since Taking Over Right Field Job

CINCINNATI ¼ — It looks like the thing Dee Fondy needed most was a steady job with the Cincinnati Redlegs.

Since he started regularly in right field Tuesday, his batting average has shot up to .389.

His hustle showed prominently Friday night, for example, when he hit a little squibber past the Milwaukee pitcher, but beat out the throw to first. Of course, the hit didn't count since the game was postponed by rain after three innings.

But Fondy wants a chance to prove himself.

Up to now, he has been the Redlegs' third string first baseman, and Manager Birdie Tebbetts made little reference to him except a casual, "our club is going to have more speed."

The other two first - sackers, George Crowe and Steve Bilko, have been getting most of the action, especially Crowe, now hitting .367.

Fondy had put in seven fairly inconspicuous years, first with the Chicago Cubs and then with the Pirates when the Redlegs acquired him last winter in a straight trade for ailing slugger Ted Kluszewski.

He said he was a little stunned by the deal, "I couldn't believe it was Kluszewski for me because he has great years in baseball and I figured the Cincinnati club would ask for some cash in addition."

The Redleg right field berth has been vacant since Wally Post was traded away last year. The Reds tried to fill the job with rookie Vada Pinson, but the young slugger couldn't make the grade and was sent to the minors for seasoning.

That gave Fondy his chance. First base is the spot he's had so far in the major leagues, but if it means a steady berth, he'll take the outfield.

Team trophies — First team trophy, Bennett Printing Company, Lisbon; second, New Waterford Furniture Co.; third, Firestone Bank, Lisbon.

St. Louis Trips Los Angeles 2-0

San Francisco Bows Before Chicago 6-5

By The Associated Press
While the kids have stumbled, Sad Sam Jones, the oldest starter on the staff, has caught fire to keep the St. Louis Cardinals on the go in their belated about-face in the National League pennant race.

It was Jones, a 32-year-old right-hander, who ended the Cards' losing streak at seven a week ago. And it was Sam who Friday night stopped a chance of another slump with a six-hitter that beat Los Angeles 2-0, with the help of Stan Musial's two-run homer.

It was the first Cardinal shutout of the year, and gave Jones his third straight victory for a 3 - 3 record. He walked but two, struck out nine while becoming the first St. Louis pitcher to get two completegame victories.

Milwaukee retained first place, although stopped by rain at Cincinnati. The Chicago Cubs clipped second place San Francisco 6-5, and Philadelphia knocked off third place Pittsburgh 8-2.

Left-hander Curt Simmons, beaten 1-0 by the Pirates and Bob Porterfield despite an 11-inning six-hitter last Sunday, got home run support for Friday night's sixth hit job against the Bucs' and Porterfield as he gained a 4-3 record.

Harry Anderson lined a two-run, inside-the-park homer in the first, and Stan Lopata belted a solo homer in the second against Porterfield, now 1-1 in two NL starts after being sold by the Boston Red Sox. The Phils got two more in the third on Rip Repulski's triple. Simmons walked none, struck out nine while Bill Mazeroski's single and sacrifice fly drove in both runs for the Pirates, who were without slugger Ted Kluszewski, sidelined again by back trouble.

A single by Lee Walls scored the clincher in a two-run ninth for the Cubs as Don Elston picked up a 5-0 record, all in relief. Willie Mays' two-on homer, his 10th and eighth in seven games, triggered a five-run Giants' sixth after Dale Long had doubled and homered for a 2-0 Cub lead. Ray Crone lost it in relief.

West Point School Wins Softball Title

WEST POINT — West Point School won the Class C Softball championship of Columbiana County by defeating Calcutta by a score of 12-3 at Elkton School field Thursday afternoon.

Championship games are also being set up in the Class A and B county softball tournament.

BY A NECK — Doctors told Bill Spretino his athletic career was finished because he fractured three vertebrae in a football game. A brace solved the problem and the Mayfield Heights High School junior has been clocked in 52.3 seconds and hasn't been beaten in the 440 so far this year.

639 Boys To Play On 30 Teams

Opening Games Scheduled Tuesday In Hot Stove League

The Salem Junior Hot Stove League will launch its 1958 season Tuesday evening with teams of the Class G and Class H loops playing at Centennial Park's south diamond and Memorial Park's south diamond, respectively.

The first two games will begin at 5:30 p.m., and the other tilt at 6:45.

In Class G, Petrucci's will meet National Cleaners at 5:30, and Gordon Sports will battle Team No. 8 at 6:45 p.m.

In Class H, only one game is scheduled, between Fisher's News and Eljer at 5:30.

John H. Herman Jr., league president, reports that 639 boys will be competing with over 30 teams entered.

Ten teams will play in the Class H league, 7½ years of age to 10; eight teams in Class G, 10-12; six teams in Class F, 12 to 14; four teams in Class E, 15-16; and one team each in Class D and Class C. Class D players are 16 and 17 years old and Class C are 18 to 20.

The Class E and Class H loops will not start their season until May 26, Herman said. He added that Class H practices next week will be the same as last week.

Monday night, all players, managers, coaches and officials will march in the safety parade beginning at 7:30 p.m. The league's float will headline the parade's second section, along with the Salem High School band.

This week's Class G and Class F games are as follows:

Tuesday
Petrucci's vs National Cleaners, 5:30.

Gordon Sports vs Team No. 8, 6:45.

Wednesday
Brown & Ziegler vs Eagles, 5:30.

Thursday
Elks vs Sekely's.

Friday
Fisher's vs Furnace.

13 Schools Will Participate In Golf Tourney at Alliance

Mount Union golf coach George Hunter has announced that 13 schools will be participating in the Ohio Conference Golf Tournament which will be held Monday at the Alliance Country Club.

The University of Akron, with everyone back from last year's championship squad, rates as the favorite. Other top contenders include Denison, Ohio Wesleyan, Wooster and Mount Union.

Also shooting for the title in the 19th annual tourney will be Capital, Heidelberg, Hiram, Kenyon, Marietta, Muskingum, Oberlin, and Wittenberg. Otterbein is the only conference school not entered in the 36-hole event.

Although Denison tops the field with five previous crowns no school has posted two victories in the last five tournaments.

The recent champs have been Akron (1957), Denison (1956), Ohio Wesleyan (1955), Wooster (1954), and Mount Union (1953).

Medalist competition is expected to be as stiff as the team play. Two past medalists, Ohio Wesleyan's Bill Cowman (1956) and Wooster's Tom Miller (1956) are back. Last year's medalist, Neal Shannon of Ohio Wesleyan, has graduated.

Six linksmen who finished close behind Shannon are hoping to move up. They are Miller, John Piper of Mount Union and an Akron quartet - Jim Mulhearn, Dave Sikute, Gerald Wilson and Jim Pier.

Each school will be represented by five golfers. The low four totals will be taken to make the team score.

Yankees Belt Second Place Senators 7-2

By The Associated Press

The Chicago White Sox finally gave Billy Pierce some runs and their stubby southpaw ace, who won 55 the past three years, has his first victory of the season.

Even this one was tough for Pierce, who allowed only six hits, walked but three and struck out 10 for a 6-3 decision at Cleveland Friday night. Two of the hits were homers, but the other Cleveland run was unearned, and the Sox wouldn't have made it except for five runs in the first — on four singles (one a bunt), two walks and two Injun errors.

It was the sixth victory in nine games for Chicago, but the Sox stayed in last place, 7½ games behind New York. The Yankees stretched their American League lead to give games over second place Washington by belting the Senators 7-2.

Detroit blew a three-run lead and lost 5-3 at Kansas City. Baltimore and Boston were idled by rain.

The White Sox matched their run total in Pierce's three defeats in the first inning. And after they counted another in the second, they were through scoring for the night.

The Yankees, shut out on five hits Sunday by Camilo Pascual, trailed 1-0 and had but three hits off the Washington right - hander until the sixth. Then Gil McDougald's one-on homer capped a three-run rally after Hank Bauer had doubled and scored the tying run on Tony Kubek's single and a force out by Mickey Mantle. Whitey Ford won his third with an eight-hitter — his 11th straight over Washington since Sept. 20, 1954.

Kansas City didn't get a man on base against Herm Wehmeier, the ex-St. Louis Cardinal making his first appearance for Detroit, until Bob Cerv swatted his 11th homer with one out in the fifth. Then the A's opened up with four in the seventh, casing Wehmeier and tagging ex-mate Tom Morgan with the defeat. Frank House, late of the Tigers, counted the clincher with a two-run single. Tom Gorman won it in relief of Ralph Terry, who gave up all the Tiger runs, one on Frank Bolling's homer.

Ohio State Blanks Northwestern 6-0

By The Associated Press
Michigan State and Ohio State, both getting shutout pitching, remained on top of the heap in the Big Ten baseball race Friday.

Michigan State blanked Illinois, 3-0, and Ohio State defeated Northwestern's defending champions, 6-0. Both now have 7-3 records.

Minnesota defeated Iowa, 5-1, to hold third place with a 6-3 mark, while Purdue blanked Michigan, 11-0, to move into fourth place with a 5-4 record. Indiana climbed into a seventh place tie with Wisconsin by trouncing the Badgers, 9-2.

Illinois heads the second division with 4-5, followed by Indiana's and Wisconsin's 4-6. Northwestern is 3-6 and last place Iowa is 3-7.

All teams play doubleheaders today with Iowa at Minnesota, Northwestern at Indiana, Wisconsin at Ohio State, Purdue at Michigan State, and Illinois at Michigan.

Ohio State's Jim Rutecki kept the Buckeyes in the thick of things with a five-hitter against Northwestern. Rutecki struck out 14 while the Buckeyes scored five runs in the first inning with Vern Barkstall and Tom McManus hitting triples.

Michigan State's Dick Radatz yielded only four hits and didn't allow a runner past second in blanking Illinois. His teammates collected a total of 11 safeties.

White Sox Dump Tribe 6-3

Indians Commit 2 Errors in 1st

Chicago's Nellie Fox Smacks Four Singles

CLEVELAND (AP) — The Cleveland Indians lead the American League in two departments: They hold a slight edge in home runs and lead by a wide margin in errors.

Friday night the Tribe added two home runs, bringing the team total to 27. But two errors in the first inning probably cost them the game. The Chicago White Sox capitalized on four freak hits, two walks and the two errors for five

runs in that inning and went on to win 6-3.

A key play in the first was a sacrifice bunt by Al Smith with two Chicago teammates on base. Billy Harrell, who was posted at second and had been at that spot only once before for one inning in his baseball career, failed to cover first base. Result: Safe all around.

Starter Don Ferrarese then walked Sherm Lollar to force in one run. Another run scored as Jim Rivera beat out a bunt, and he third came in when Mickey Vernon threw wild to first on that play.

Lollar took third on the error and scored as Bubba Phillips bounced a single off Avila's glove. Jim Landis then produced the only solid hit of the inning, a single to right that brought Rivera home.

Oddly enough, Harrell was at second because Indian Manager

Bobby Bragan feared having an inexperienced man at third against Chicago's bunting.

Ferrarese, who went out for a pinch hitter in the second inning, was charged with the loss.

The victory went to lefthand ace Billy Pierce, and it was his first this season against three losses. Pierce won 20 games last year and 20 in 1956.

The three Tribe run were on home runs by Bob Avila and Minnie Minoso and a second-inning single by Chico Carrasquel that scored catcher Dick Brown. Brown had reached second on a wild throw by Chicago shortstop Luis Aparicio.

The White Sox got their sixth

run in the second inning when Lollar doubled and Ron Jackson singled him home.

Then Dick Tomanek came on for the Indians in the third and pitched six scoreless innings, yielding only two singles. Altogether, off Ferrarese, Tomanek and Hoyt Wilhelm, who pitched the ninth, the White Sox got 11 hits. Four of them were singles by Nellie Fox.

In the second game of the series against Chicago, the Indians today sent Cal McLish (0-0) against Ray Moore (0-2). Mudcat Grant and Bob Kelly are scheduled for the Tribe in Sunday's doubleheader.

400 Persons at Knox School 'Recognition Night' Program

More than 400 parents and students attended the "recognition night" dinner at Knox School Friday.

Clarence Wetzel, Columbiana County's representative to the Ohio General Assembly, was the speaker. His topic was "recognition Through Life."

Honored guests were former board members of Knox School and their wives.

C. G. Long, retired superintendent of Goshen Union High School, and now a member of the Mahoning County Board of Education, was present. W. C. Smith, Mahoning County superintendent of schools, and Mr. Long spoke briefly on the progress of the local schools.

Awards were presented to approximately 225 boys and girls in the following categories: athletics, band, bus patrol, student council, perfect attendance, and service workers in the cafeteria. Robert Akenhead and Harry Surls of Knox School, faculty, made the awards.

Special award went to Meredith Denny, daughter of Mr. and Mrs. Richard Denny of RD 2, Beloit, as the outstanding pupil of Knox School. This award is voted by the student body for scholarship, sportsmanship, leadership ability, courage and participation in school activities. Meredith served as president of the student council this year, and is a member of the school band.

Gifts from the student body were presented to Mr. Akerhead, Mr. Akerhead's manager, and her assistants, Mrs. Agnes Ramsayer, and Mrs. Ruth Ann Stoffer.

Glen Whip was presented a personalized gavel for his leadership of the Parent-Teachers Association the past year. Mr. Whip is also president elect of the PTA for next year. In his remarks, Mr. Whip lauded persons who assisted in PTA programs.

Two special citizenship awards were presented to Mrs. LaVerne Hahlen and Altee Freshley for outstanding service to the community during the past years. This is the first time such awards were made but they will be presented annually hereafter.

The recipients were selected by the citizenship committee of Knox School, faculty, students and citizens of the community. Mrs. Hahlen and Mr. Freshley have been active in church, school and civic affairs for many years.

The awards were presented by John Pickens, principal of Knox School, who also served as toastmaster for recognition night.

LISBON — Thomas Homan of 202 Sherman St. was fined \$50 and cost Friday night by Acting Mayor W. J. Loudon on a charge of driving with fictitious plates.

France

(Continued From Page One)

while special agents fanned out across France to arrest persons suspected of plotting to raise Gen. Charles De Gaulle to power. Two air force generals were among those reported arrested.

But while Pflimlin consolidated his four-day-old government's hold on continental France, the military-civilian rightists in Algeria who seized control of that North African territory Tuesday remained in undisputed control.

An all-Algeria insurrection committee met secretly in Algiers Friday night to consider the statement in which Pflimlin holds France and appears, for the moment at least, unable to do anything about the Algerian defiance, while the rebels in Algiers are unable from there to put De Gaulle in office.

There was no sign of the Algerians Committee of Public Safety backing down in the face of overwhelming Parliament support Friday night for Pflimlin. The committee was set up Tuesday under paratroop Brig. Gen. Jacques Massu after rioting against the possibility that Pflimlin would not be tough in prosecuting the 3½-year-old war against Algerian Moslem rebels.

The French government has let it be known that plotting by rightists to seize power had been reported since the last government fell April 15. The plotters apparently planned to win the army's support behind De Gaulle as a military dictator.

Whether this plot was developed with the knowledge of De Gaulle, France's World War II resistance hero now in retirement, was not known. De Gaulle's only statement has been a cryptic announcement that he holds himself ready to take over "the powers of the republic."

In asking for the 90-day emergency powers, Pflimlin issued an open challenge to De Gaulle to explain whether he would agree to march to power with the aid of a coup. The general remained silent under the watchful eyes of police.

porée was made. A Clean-Up Day at Camp Leesville has been set for Saturday, June 14, with a total of 150 men needed.

Institutional representatives present at the meeting were: Floyd McQuilkin, Unit 3; Bob Champion, Unit 2; Matt Green, Unit 6; Eldon Holt, Jr., Unit 13; William Garrod, Unit 16; Roy Brubaker, Unit 17; Ira Dalrymple, Unit 20; Gordy Howe, Unit 23; Harold Williams, Unit 35; William Herriot, Unit 44; Carroll Green, Unit 52; Ken Smith, Unit 69; Robert Unger, Unit 70; and Al Linder, Unit 99.

Her husband, Jesse, preceded her in death. Funeral arrangements are pending.

Experts Say Explorer III Going Silent

WASHINGTON — Explorer III, America's third earth satellite, is going silent and may come to a fiery end about the middle of July.

Scientists tracking the Army-built Satellite reported Friday that one of its two radios has stopped transmitting and the other has become erratic.

Announcing this, the U.S. national committee for the International Geophysical Year reported also that latest estimates indicate the satellite will re-enter the earth's atmosphere and disintegrate around mid-July.

The committee said there is some evidence the partial loss of radio contacts with Explorer III may be due to a collision with a meteor cloud that might have damaged the transmitters.

The satellite, an 80-inch long metal tube, was shot into space March 26 after the successful launching of the Army's Explorer I and the Navy's Vanguard Explorer II failed to go into orbit. Both Explorer I and the Vanguard are expected to stay in orbit for some time.

Russia, whose Sputniks I and II came down some time ago, launched its third satellite, a 1½-ton vehicle, this week.

Moscow radio, meanwhile, said Sputnik III completed its 23rd circuit of the globe at 10 p.m. Friday.

At Louisville, Ky., Editor Robert Hotz of Aviation Week magazine said Sputnik III probably carries an infra-red device capable of taking pictures of the earth.

finance chairman or co-chairman will be named by McSweeney.

The Democratic committee elected Atty. Paul Tobin of East Liverpool as vice chairman and Sharon Quigley, also of East Liverpool, as secretary - treasurer.

They also named a 40-member executive committee.

The Democratic reorganization was held in the Lisbon village hall.

East Palestine Auto Check Plans Complete

EAST PALESTINE — The committee for traffic safety check week held its final meeting Friday at the First National Bank when an invitation was extended to motorists from New Waterford, Unity, Negley, and rural areas to receive car checks.

The Rotary Club-sponsored check will get underway Monday when a preliminary check of cars will be made at the senior picnic at the Country Club.

On Tuesday and Wednesday 16 mechanics will be stationed at the high school parking lot to check steering, brakes and lights; and those cars not passing will be re-checked on Saturday.

After passing the safety check a windshield sticker will be placed on the car in order to permit passage through any state patrol safety check lane.

COST ON STREET OILING

Service Director Harry Vincent said today that the cost of oiling dirt streets in town would be four cents a foot for an eight-foot wide strip. He said he misquoted a figure of eight cents Friday and that it actually is four cents. Citizens wanting streets or alleys oiled should file their requests with City Clerk Robert Rheutan at City Hall by June 15.

E. Palestine Pupils Presented Awards

EAST PALESTINE — Rita Harmon, a Unity High School senior, received the Elizabeth Martin Kyes Award, during Recognition Day ceremonies at the high school yesterday.

Miss Harmon was presented a \$170 scholarship to any accredited school or college. The Kyes Award was established by Roger Kyes, a General Motors Corp. official, in honor of his grandmother, a former teacher at Unity School.

From the scholarship trust fund of the G.A.R., awards for scholastic achievement in American history and government were given to Susanna Coulter, \$40 for first place; Lynne Brittain, second place, \$24; and \$16, Robert Guy, third place.

Sam Hirt and Noreen Chaplow received awards from the Babe Ruth Foundation. These awards, made after a secret vote of senior class members, are for sportsmanship.

The Bausche - Lomb Science award went to Donald Wilhelm for maintaining the highest four-year average in science.

Gary Griffith received the Leader Press football scholastic trophy. Larry Knight received the John Phillips Sousa Band Award.

The L. W. Nash four-year scholarship award will not be presented until May 23. This college scholarship is given to a student of engineering.

Two Traffic Mishaps

LISBON — Police investigated two accidents here Friday.

At 7:30 p.m. a car driven by Mrs. Letha Asby of Salem and a pickup truck operated by James E. Thompson of Lisbon, collided at the intersection of W. Chestnut St. and N. Beaver St. The impact forced the truck into a utility pole.

At 9:45 p.m. a car driven by Clarence Pannier of 120 S. Beaver St. struck a parked car on N. Beaver St. belonging to John Williams of Lisbon. Pannier was cited for reckless operation.

2 Girl Charged With Passing Bad Checks

LISBON — Two RD. Lisbon girls aged 11 and 14, will have a hearing Monday before Juvenile Judge Louis Tobin on a charge of cashing a number of worthless checks.

Former Mayor Wilbur Warren told police Friday that the 11-year-old girl came into his newsstand and attempted to cash a \$2 check bearing the signature of a Mrs. Joe Smith. The girl said she received the check for baby sitting. Warren became suspicious and called police.

Police questioned the girl and took her to her home where they found a number of other checks in her purse. She implicated the 14-year-old neighbor girl, who also allegedly passed a number of bogus checks. The mother of one of the girls said she gave her daughter blank checks after the child said they were learning to write checks in school.

POLICE ISSUE WARNING

Police Chief George T. Earley today warned persons who have been damaging equipment at the construction site of the new First Christian Church on E. 6th St. that they will be prosecuted to the full extent of the law if caught. Wind-downs in a power shovel were broken recently, police said.

TWO FINED IN LISBON

LISBON — Two motorists were fined a total of \$50 and costs Friday night by County Judge Samuel Crawford on charges filed by Howard Lisk, Ohio Bureau of Motor Vehicles inspector.

Lloyd B. Louk was fined \$25 and costs for selling a motor vehicle and failing to deliver a properly signed title.

Raymond Perrino was fined \$25 and costs for acquiring a motor vehicle and failed to acquire title for same.
